

10. QUESTIONS

On the matter of the Board's 3 February 2004 decisions regarding footpath and vehicle accessway issues in Harkness Place, the Board in response to a question from Sally Buck **agreed** that a further staff report be prepared (if required following the deputation to the Sustainable Transport and Utilities Committee) to enable the Board to reconsider its decision regarding LIM issued information relating to vehicle entrance way resurfacing where there are footpaths on only one side of the street.
