

## 12. WAIRAKEI ROAD – PROPOSED TRAFFIC MANAGEMENT IMPROVEMENTS

The Board was asked to approve for construction the proposed works in Wairakei Road between Kendal Avenue and Breens Road along with required parking restrictions.

The Board **resolved**:

1. That the proposed works in Wairakei Road between Kendal Avenue and Breens Road be approved for construction.
2. That the various parking restrictions as set out in clauses (i) to (vi) inclusive of the Project Consultation Leader's report, be approved.

Members noted that staff would be circulating a status report dealing with other issues highlighted by the October 2002 Crash Reduction Study, which had been previously endorsed by the Board.
