

#### 4. NORTH NEW BRIGHTON DUNES-UPDATE

The Committee considered a report from David Newey, Parks and Waterways Planner, providing an update on progress to date on investigating/gathering information in respect of the North New Brighton dunes project. The report signalled a variety of different research and investigation projects necessary for the overall project, and provided a timeline for a full report back to the Committee in April 2005.

The Committee **received** the report and noted the timeline.
