

10. 23 HAWKSWOOD PLACE DRIVEWAY CROSSING REQUEST FOR STREET TREE REMOVAL

On behalf of the Parks Manager, Walter Fielding-Cotterill sought the Board's approval for the removal of a street tree which would obstruct a vehicle crossing proposed to be constructed at 23 Hawkswood Place.

The Board **resolved** to approve the removal of the cherry tree and its replacement outside No. 23 Hawkswood Place, all at the applicant's expense.
