

2. DEPUTATIONS

2.1 John Doyle (Area Controller, Southern Canterbury District of New Zealand Police)

Mr Doyle has regularly attended meetings of the Board. He updated the Board on the new Canterbury Police District structure, which has recently come into effect.

2.2 Sarah Oliver and Joe McCarthy, South West Area Plan

The South West Area Plan has been promoted to the Board over recent months by Ms Oliver and she took this opportunity to provide more information to members.

It was acknowledged that there are many major issues involved in this growth area and it was **decided** that a Board seminar be held on Tuesday 30 March 2004 at 4.30 pm to allow more discussion on this topic.
