

#### 4. CENTENNIAL PARK – REMOVAL OF TREES

The Board's approval was sought for the removal of two poplar trees, one cypress and one willow at Centennial Park.

The Board **resolved**:

1. To approve the removal of the two poplars located 15 metres into the walkway of Centennial Park, off Sparks Road.
2. To approve the removal of the trees situated on the left-hand side at the beginning of the walkway at Centennial Park.
3. To approve arboricultural work to improve the structure of the willow tree at the beginning of the walkway and close to the road bridge and river at Centennial Park.
4. That the style of planting from Te Kura Kaupapa School be continued to the entrance of the walkway.

Sue Wells requested that her vote against the second resolution be noted.

Paul de Spa requested that his vote against the third resolution be noted.
