**NOTICES OF MOTION**

**1. BANKS PENINSULA DISTRICT COUNCIL**

To consider the following motion, notice of which has been submitted by Councillor Broughton pursuant to clause 2.16 of Standing Orders:

*“Our Council has yet to determine its position regarding the possible merger of Banks Peninsula District Council and Christchurch City Council.*

*However, Christchurch City Council does not support any proposal or process that would deny Christchurch residents a vote on this issue (particularly in light of 63% of recorded votes in Christchurch being against the previous amalgamation proposal in 2000).”*
