

2. SHIRLEY/PAPANUI - COMMUNITY CENTRES, ANNUAL REVIEW 2003/04

The Board considered a report from the Community Technical Adviser (Alister Whitteker) on the overview of the operation of community centres in the community for the 2003/2004 year.

The Board **decided**:

1. That the information be received.
2. Shirley Community Centre
 - (a) That the Chief Executive be requested to implement processes so that where any changes to the status of projects or line items detailed in the Corporate Plan are proposed, that the relevant business units be required to advise the relevant Community Board at the time of the six and 12 monthly reviews.
 - (b) That the Facilities Assets Management Unit be requested:
 - (i) To provide reasons for the reprogramming of the structural strengthening of the Shirley Community Centre.
 - (ii) To report back to the Board on what, if any, liability would rest with elected members were the structure to fail.
