

3. REPORTS FOR INFORMATION

The Committee **received** the following reports:

3.1 Urban Renewal Annual Report

3.2 Ministry for the Environment Draft New Zealand Urban Design Protocol

Reference was made to the Urban Design Protocol document circulated to members.

The Committee noted that a meeting should be held to brief the incoming Council on the proposed New Zealand Urban Design Protocol.

It was **agreed** that members' comments would be sought on the staff response to the document.
