

#### 4. CORRESPONDENCE

##### ANZAC DAY PARKING

The Chairperson noted that a letter had been received from the New Brighton RSA after the agenda for this meeting had been distributed. The letter thanked the Board for its efforts in trying to resolve parking issues on ANZAC Day and for the offer of \$1,000 towards implementing a traffic management plan. The New Brighton RSA informed the Board that it would not be pursuing the issue any further. The Board **decided** to accept this as an item of late correspondence and noted that the \$1,000 grant previously approved from its Discretionary Fund would no longer be required.
