

2. CROSBIE PARK – RICCARTON LEAGUE’S CLUB INCORPORATED - PROPOSAL TO UPGRADE EXISTING FLOODLIGHTS

The Board considered a report outlining a proposal to upgrade the existing floodlighting to the No 1 rugby league field at Crosbie Park:

The Board **decided** to support the Greenspace Manager’s delegated approval of the application subject to the following conditions:

- (a) The towers to be powder coated or painted a flax green colour, eg Resene 12 B 21 (B.S5252 (1976) colour range)
- (b) The applicant to obtain the necessary resource and building consents at its cost before commencing installation of the lighting system on the park.
- (c) The applicant or contractor being responsible for obtaining plans of all services presently laid underground in the park (electricity, telephone, sewerage, stormwater, high pressure water supply and irrigation).
- (d) The applicant being required to deposit scaled plans, showing the tower and cable layout in the park, as built, within two months of the work being completed.
- (e) The applicant being responsible for all costs associated with the installation and maintenance of the lighting system.
- (f) The applicant being responsible for ensuring that the lighting system is maintained in a safe and tidy condition at all times.
- (g) That the lights not be operated after 10.00 pm.
- (h) That a bond of \$2,000 be paid by the Riccarton League’s Club Inc or successful principal contractor to the Parks and Waterways Area Advocate, Fendalton Service Centre, Christchurch City Council, before work commences on site.
- (i) That the area is restored to its previous condition following completion of the work. The bond less any expenses incurred by the Council, to be refunded after the ‘as built’ plan has been lodged with the Council and any necessary restoration work has been completed.
- (j) That approval will lapse if the development is not completed within two years of application.
