

## 7. PROPOSED TREE REMOVAL – ANTIGUA RESERVE, BROUGHAM STREET

The Board's approval was sought to remove a poplar tree in Antigua Reserve (adjacent to 157 Brougham Street) together with a semi-mature ash tree and birch tree from the same reserve.

The Board **resolved** to approve the immediate removal of the poplar tree in Antigua Reserve on the basis of health and safety issues.

It was noted that the Board would welcome an opportunity to view a management plan for the future planting of Antigua Reserve.
