

13. NOTICES OF MOTION

RATE INCREASES

Councillor Broughton has given notice pursuant to Standing Order 2.16 that she proposes to move the following motion:

- “1. *That for this coming year (2005/06) the Council only accept a rate increase of between 2.0% and 2.7%, being in line with the current rate of inflation.*
2. *That future rate increase projections in the Long Term Council Community Plan be in line with the predicted general rate of inflation or less.*
3. *That management table options to bring this year’s rate increase in line with the above.”*

The foregoing motion is also supported by Councillors Shearing, Harrow and Crighton.

RE-ESTABLISHMENT OF JOINT COMMITTEE WITH ENVIRONMENT CANTERBURY

Councillor Crighton has given notice pursuant to Standing Order 2.16 that she proposes to move the following motion:

“That the Christchurch City Council re-establish the Joint Committee with Environment Canterbury that operated successfully up till 2001 when it was discontinued, and that the Joint Committee should:

1. *Meet bi-monthly to share information and proactively pursue the best outcomes for Christchurch; and*
2. *Report directly to both Councils on any recommendations or conclusions agreed, or on any issues discussed.”*
