NOTICES OF MOTION

1. CIVIC OFFICES BOILER

To consider the following motion, notice of which has been given by Councillor Anna Crighton pursuant to Standing Order 2.16:

“That, in view of the fact that the resource consent for the coal fired boiler at the Civic Offices is due to expire in November 2005, the Council urgently address this issue and request a report from officers, to include:

- (a) A possible request to ECan for an extension of the present resource consent.*
- (b) Alternative heating options.*
- (c) The possibility of working with ECan to address the issue of the straight line requirements of the National Environmental Standard for Air Quality.*
- (d) A review of the associated budgetary requirements.”*
