

10. EDGEWARE VILLAGE BEAUTIFICATION

The Board considered a memorandum from the Urban Renewal Planner, Victoria Lawson updating the Board on the \$4,000 allocated from the Board's 2004/05 project funds for a mosaic seat at the Edgeware Village.

After some discussion the Board **resolved**:

1. That the Board's resolution of 2 February 2004, (that \$4,000 be allocated for a concrete seat in Edgeware Village covered in a mosaic relevant to the area) be revoked.
2. That the \$4,000 instead be allocated for enhancement and beautification in the Edgeware village.
