3. NOTICES OF MOTION

The Board considered a Notice of Motion, moved by Gail Sheriff, seconded by Tim Sintes, requesting that the two car parks on Marine Parade immediately north of the entrance to the Woolworths car park be removed and that yellow no stopping lines be installed.

Members commented on the configuration of the existing entrance and the observed practice of heavy service vehicles having to cross the central median in order to turn left into Marine Parade from the supermarket car park. A recent accident involving a young pedestrian and a vehicle at this location was also referred to. The placement of a barrier on the central median to control pedestrian movements across the street was also suggested for consideration.

The Board **decided** to request that staff prepare a report with urgency on the traffic safety matters raised in relation to Marine Parade as detailed in the Notice of Motion and the resulting discussion above.

5. BRIEFINGS

5.1 QUEENSPARK BUS PRIORITY ROUTE

Staff briefed the Board with an update on the Queenspark bus priority route including the intention of distributing information packs to affected residents outlining project details and timelines.

After questions from the Board, the Chairman thanked the staff member for the update provided.

6. RESIDENTS' ASSOCIATIONS/COMMUNITY ORGANISATIONS

Mr Steve Burke, Chairman of the New Brighton Residents' Association, updated the Board on recent events including a successful AGM which saw an increase in new members bringing enthusiasm and new ideas, and the revamping of the group's newsletter now called 'The Echo'.

Mr Burke expressed the Association's sympathy to the family of the late Peter Graham, a former member of the New Brighton Residents' Association.

Congratulations were extended to the Board, the Pier Liaison Group and staff on the recent Children's Fishing Day event, and also for the success of the skatepark at Thomson Park.

Mr Burke commented on the observed anti-social behaviour by youths occurring in the New Brighton business precinct and he sought the Board's input in approaching the New Brighton Police seeking a greater police presence in the area.

The Chairman thanked Mr Burke for his update.

7. COMMUNITY BOARD ADVISER'S UPDATE

The Board **received**:

- Information on Board related activity for the beginning of 2010 including the first Board meeting scheduled for 5pm on Monday 1 February 2010.

The Board **agreed** that the 2010 Burwood/Pegasus Community Pride Garden Awards presentation function be held at 10.30am on Saturday 6 March 2010 at the Seaview Christian Centre.

- Speed Limit Review – The Board was invited to identify any roads in the Burwood/Pegasus ward for consideration in the Council's forthcoming Speed Limit Review.

The Board **decided** that the section of Travis Road (State Highway 74) from Burwood Road to Anzac Drive, be submitted for consideration with a view to the existing 50 kilometres per hour limit being increased to a minimum of 60 kilometres per hour.

Concerns were also expressed about vehicle speeds on the section of Horseshoe Lake Road between Lake Terrace Road and the dog park on Broomfield Terrace. A 50 kilometres per hour limit existed but owing to the rural character and the narrowness of the carriageway, the legal vehicle speed was often being exceeded. The installation of 50 kilometres per hour speed signs and targeted enforcement was suggested.

Also, vehicle speeds on the section of Rothesay Road between Queenspark Drive and Burwood Road were of concern in the local community.

Staff were requested to ask the police to carry out enforcement of the 50 kilometres per hour speed limit on both Horseshoe Lake Road and Rothesay Road.
