In response to correspondence received at its 1 March 2010 meeting and a subsequent site inspection by staff, the Board was advised that with 30 seats already provided on the two kilometre section of Kerrs Reach on the eastern side of Avonside Drive, the request for an extra seat could not be supported.

An option however for the resident concerned, was to donate a seat that could be positioned outside their property to replace an older existing seat nearby.

The Board was advised of the Council's recent decision for minor changes to be made to the operational times for the bus lanes on the Papanui and Queenspark routes to comply with the Council's Traffic and Parking Amendment Bylaw 2009.
