

24. NOTICES OF MOTION

To consider the following motion, notice of which has been given by Councillor Johanson, pursuant to Standing Order 3.10.1.

That the Council:

- (a) Note that there has been widespread concern expressed in the media and in the community over the City Council's recent removal of 158 rubbish bins from local parks.
- (b) Note that this decision was made without any consultation with the elected members of the Council or the local community boards.
- (c) Note that there is no current level of service ensuring a minimum number of rubbish bins in the city.
- (d) Note that there is no council policy to remove rubbish bins from local parks.

That the Council resolves:

- (a) That where practical the Christchurch City Council reinstate the 158 rubbish bins that were removed from local parks/reserves as part of the Nov/Dec 2009 evaluation.
- (b) That the Christchurch City Council develop a clear policy on the placement of bins in local parks.
- (c) That the Christchurch City Council consider as part of the Annual Plan process a minimum level of service for provision of rubbish bins in local parks/reserves .
