4.2 Bruce Body Corporate – Temporary Toilets, Britomart Reserve

Bruce Body Corporate had written to the Board expressing its concern that a temporary toilet block has been erected on the Britomart Reserve adjacent to the Bruce Terrace apartments.

4 Cont'd

The Board **received** the correspondence and whilst appreciating the concerns raised, noted that the siting of the temporary toilet was not its decision. The Board asked staff to reply to the correspondent noting the following points:

1. This is part of an emergency response to a situation created by the earthquakes.
2. The building is located on road reserve, not part of the recreation reserve.
3. Staff have been asked to investigate some further mitigating steps to supplement those recommended by the Akaroa Design and Appearance Advisory Committee, including painting the building and some vegetative screening.
4. The building is temporary and will be removed by 1 June 2012.

5.1 ROBINSONS BAY RESERVE MANAGEMENT COMMITTEE

5.2 DUVAUCHELLE RESERVE MANAGEMENT COMMITTEE

The Board felt that there were occasions when items presented to the Akaroa Design and Appearance Advisory Committee should also be brought to the attention of the Board for its information, and asked that staff consider this when forwarding information to the Committee.

The Board **received** the minutes of the Akaroa Design and Appearance Advisory Committee meeting held on Thursday 1 September 2011.

7. AKAROA MUSEUM ADVISORY COMMITTEE – 26 SEPTEMBER 2011

- **Mr Whippy Banks Peninsula - Mobile Sites**

The Board identified that there was an urgent need to allocate permanent mobile stall sites in the Akaroa business area, following repeated requests for a resolution to this matter from local traders.

The Board **decided** to request information from staff to assist in identifying two sites in the Akaroa business area for permanent mobile stall sites, as requested by the Council at its meeting on 23 September 2010.

- **Duvauchelle A&P Show – Marquee Consent Process and Costs**

A letter had been received from the Duvauchelle A&P Show requesting the Board's support in obtaining a multi-year consent for the erection of the marquee at the Duvauchelle show held in January each year.

The Board **decided** to refer the letter to staff to reply to the Duvauchelle A&P Show outlining the Building Act requirements in relation to the erection of marquees.

- **Traffic Management Plan – Cruise Ship Visits**

The Board **decided** to ask staff to investigate whether the Traffic Management Plan, which will be in place each time a cruise ship visits Akaroa over the summer, needed to be amended so that it did not adversely affect traffic movements around the Akaroa Area School operations, following advice from the school that buses waiting to collect cruise ship passengers were preventing parents from dropping off/collecting children from the school gate.

The Board **resolved** to support the proposed Summertimes Festival for the Akaroa/Wairewa area and to underwrite the cost of an advertisement in the Christchurch Garden City Summertimes brochure by allocating up to \$1,500 from its Discretionary Response Fund, in the event that the organisers are unable to find alternative funding.

The Board recognised the urgency of this request, as space needed to be booked in the brochure. Board members believed they had sufficient information to make an allocation from the Discretionary Response Fund without a formal report coming to the Board.

The meeting concluded at 12.05pm.
