

31. NOTICES OF MOTION

To consider the following motion, notice of which was given by Councillor Carter and pursuant to standing order 3.10.1:

That Christchurch City Council establish an earthquake recovery committee.

That the terms of reference for this committee include:

- (a) To oversee and coordinate the council's response and appropriate support for the recovery and reconstruction, Ward by Ward, of Christchurch following the recent earthquakes, including:
 - (i) Reviewing the processes and procedures for assisting ratepayers with assets affected by the earthquakes;
 - (ii) Regular updates of the cost of renewing Council owned infrastructure damaged by the earthquakes and aftershocks;
 - (iii) Updates on the insurance on this infrastructural renewal and require council officers to provide early identification of any cases of underinsurance;
 - (iv) Liaise with Central Government for financial support for the rebuilding of Christchurch;
 - (v) Any items peculiar to any area and of any matter which warrants special attention by the full Council to rebuild the city;
- (b) To report regularly to the public on all matters covered by item (a).
- (c) Monitoring of the councils timely performance in processing Resource and Building consents required as a result of the recent earthquakes.
- (d) To hear deputations from the community, and Community Boards, on earthquake recovery issues which the community wishes to raise.
