**PART A – MATTERS REQUIRING A COUNCIL DECISION**

**1. APPLICATION TO HAGLEY/FERRYMEAD COMMUNITY BOARD 2010/11 DISCRETIONARY  
RESPONSE FUND**

The Board considered an application to the Hagley/Ferrymead Community Board 2010/11 discretionary response fund. During discussion on this item, Board members raised the need for clarification of the criteria between metropolitan and local discretionary response fund applications, and a process where the Council has the ability to consider some applications under \$15,000 to the Metropolitan Discretionary Response Fund, as decisions on these applications are currently delegated to Council staff.

It was **decided** on the motion of Yani Johanson, seconded by Brenda Lowe-Johnson, that the Board ask the Council to consider establishing a process where applications to the Metropolitan Discretionary Response Fund under \$15,000 are able to be referred to the Council for a decision.

The Board's decision relating to the application to the Hagley/Ferrymead Community Board 2010/11 discretionary response fund is contained within clause 14 of these minutes.

It was **decided** on the motion of Tim Carter, seconded by Islay McLeod that the Board:

- (a) Receive the results of the pedestrian, motor vehicle and residents survey carried out on Ocean View Terrace.
- (b) Support no change to the existing road layout, as the low number of pedestrians and of vehicles using Ocean View Terrace together with the absence of records showing there is a significant safety problem, provide no justification for Ocean View Terrace being made one way or justify the building of a footpath.
