PART B - REPORTS FOR INFORMATION

1. DEPUTATIONS BY APPOINTMENT

1.1 JONO CAMPBELL (TE ORA HOU)

Jono Campbell discussed with the Board current youth issues. He reported that a gap had been identified in support networks post earthquake for 13 to 17 year old youth. Jono Campbell outlined how Te Ora Hou had linked with 24/7 youth workers to assist youth short term and explained how youth are looking to become involved in the decision making process and governance post-earthquake as they will be inheriting the future Christchurch. One of the effects of the February earthquake was the ongoing change to family circumstances and families becoming more marginalised. Other matters Jono discussed included business association interaction, efforts to reduce tagging, encouraging more youth to become involved and have a say in the rebuild of Christchurch by taking ownership of their city.

The Chairperson thanked Jono Campbell for his deputation.

1.2 KARLENE ROGERS (ELLINGTON RESIDENTS ASSOCIATION)

Karlene Rogers updated the Board on the views of the Ellington Residents Association in relation to the proposed Ryman Retirement Village and Ellington Subdivision. The Association would like to see a secondary entrance to the complex via Chilton Drive. The Residents Association felt that a secondary entry would strengthen the community together and provide for long term residents' benefits with alternative traffic flows, without causing negative impacts on the community.

The Chairperson thanked Karlene Rogers for her deputation.
