PART B - REPORTS FOR INFORMATION

1. DEPUTATIONS BY APPOINTMENT

1.1 CANTERBURY SECONDARY SCHOOL MTB CLUB

Andrea Murray from the Canterbury Secondary School MTB Club (also known as HUXSTER) and Paul Dahl from Sport Canterbury gave a presentation to the Board regarding a proposal to have a Pump Track for mountainbikes constructed in Lyttelton for the youth to get fit and learn biking skills. The Club are proposing to use demolition sites throughout the city to construct temporary mountainbiking tracks as space fillers. In Lyttelton they are proposing to use the site previously occupied by the Lyttelton Coffee Lounge on Oxford Street.

The deputation was seeking support from the Board for the project as they noted that community buy in was important. They would also be making an application for funding from the Board although some funding was available and the tracks, especially with construction help from the community, are relatively cheap to complete.
