8. CONFIRMATION OF MEETING MINUTES – BOARD MEETING OF 2 APRIL 2012

The Board **resolved** that the minutes of its ordinary meeting of Monday 2 April 2012, be confirmed.

9. APPLICATION TO THE BOARD'S 2011/12 DISCRETIONARY RESPONSE FUND – ST PATRICK'S SCHOOL AFTER CARE

The Board considered an application for funding to its 2011/12 Discretionary Response fund from St Patrick's School towards wages for its After School Care programme. The Board raised a number of queries regarding the application which were responded to by staff.

The Board wished to have it noted that this was a 'one-off' grant due to the exceptional circumstances as outlined by staff. The Board would not normally provide funding for the operational costs of OSCAR programmes as this is considered to be the responsibility of central government.

The Board **resolved** to allocate \$3,000 from its 2011/12 Discretionary Response Fund to St Patrick's School towards wages for its After School Care programme.

10. APPLICATION TO THE BOARD'S 2011/12 DISCRETIONARY RESPONSE FUND – REPLACEMENT OF PLAYGROUND PARK EQUIPMENT

Following a workshop with key staff in November 2011, Board members had requested further staff advice on a number of major projects for consideration for funding from its 2011/2012 Discretionary Fund, as there were significant one-off funds and it was unlikely that these would be fully allocated.

This report related to one of these projects which was to enhance existing playground and park equipment, in a range of localities in the ward to support health, well being and the enjoyment of both young people and the wider community.
