7. FACILITIES REBUILD PLAN: PRIORITISED DETAILED ENGINEERING EVALUATION PROGRAMME

General Manager responsible:	General Manager Community Services, DDI 941-8607
Officer responsible:	Corporate Support Unit Manager
Author:	Darren Moses

PURPOSE OF REPORT

1. The purpose of this report is to seek the Council's approval for the Detailed Engineering Evaluation (DEE) assessment prioritised programme that incorporates recommendations from Community Boards.

EXECUTIVE SUMMARY

- 2. At the Council meeting of 1 March 2012, in relation to the DRAFT DEE assessment programme, the Council **resolved** to refer the list to the Community Boards, to obtain their feedback prior to the Council's adoption of the finalised list.
- 3. All of the Community Boards were engaged via a joint workshop, whereby they were given the opportunity to review and request changes to the priority order of the DEE assessments.
- 4. The requests (Attachment 1) have been considered and are incorporated into the FINAL DEE assessment programme (Attachment 2) for the Council's approval.
- 5. A prioritised and agreed approach to delivering the next phases of the programme (insurance, options, decisions and delivery) will be worked through with the Council and the community over the next few months.

FINANCIAL IMPLICATIONS

6. The DEE assessment work required to inform the Facilities Rebuild Plan is generally funded from insurance monies, where a building's structure is damaged and a legitimate successful insurance claim is processed. Where the building structure is not damaged the costs will be borne by the Council.

Do the Recommendations of this Report Align with 2009-19 LTCCP budgets?

7. No. The outputs of the Facilities Rebuild Plan will inform future LTCCP and Annual Plan processes.

LEGAL CONSIDERATIONS

8. Not applicable.

Have you considered the legal implications of the issue under consideration?

9. As above.

ALIGNMENT WITH LTCCP AND ACTIVITY MANAGEMENT PLANS

10. No. The outputs of the Facilities Rebuild Plan will inform future LTCCP and Annual Plan processes.

Do the recommendations of this report support a level of service or project in the 2009-19 LTCCP?

11. As above.

7 Cont'd

ALIGNMENT WITH STRATEGIES

12. Yes, the purpose of this report is to deliver a revised set of strategies in terms of service delivery and supporting facilities plans to assist with the rebuild of Christchurch.

Do the recommendations align with the Council's strategies?

13. As above.

CONSULTATION FULFILMENT

- 14. A Combined Community Board seminar was held on the evening of 19 March 2012. The purpose was to obtain their feedback prior to the Council's adoption of the finalised DEE assessment programme list.
- 15. The Boards were asked to:
 - (a) review the list of Council-owned facilities per Ward to check for completeness
 - (b) identify any incorrect information e.g. Closed when should be Open
 - (c) identify any buildings where the priority appears incorrect from a community perspective
 - (d) identify any buildings where the timings did not seem correct based on the prioritisation.
- 16. Of the eight Boards engaged, three had no changes to the priority in the programme and the remaining Boards had few change requests across the entire portfolio. All of the change requests submitted by the Boards have been considered and subsequently accepted by staff.
- 17. The resulting change requests from the Boards are set out in **Attachment 1**.

STAFF RECOMMENDATION

It is recommended that the Council adopt the Facilities Rebuild Detailed Engineering Evaluation prioritised programme as set out in **Attachment 2**, to include amendments as recorded in **Attachment 1**.

2: Burwood Pegasus					
	Community Centre Wainoni (Hampshire Street)	2	1		Accept. DEE completed.
	Porritt Park Complex	1	2		Accept. Land badly damaged, buildings less damaged and of significant value.
	South Brighton Community Centre	2	1		Accept. Damage assessment underway and discussing with insurers.
	Former Radio Building – Rawhiti Golf Course	3	4		Accept.
	Whale Pool at New Brighton	3	1		Accept. Reviewing DEE guidelines for pools.
3: Fendalton Waimairi					
	N/A		NIL		Accept.
	N/A		NIL		Accept.

Community Board	Facility Name	Current Priority	Priority Change Request	Reason	Staff Recommendation
4: Spreydon Heathcote	Old Stone House Community centre Cracroft	2	1	High usage from local area. No. of groups with no other place to use. Older folk since earthquake need to use the facility. Not many places left to hire for weddings and parties across the city so need high priority on this ground. Is a heritage building so should be high priority fix. Large number of volunteers support this building including	Accept. Qualitative DEE has been completed.
	Waltham community cottage	3	1	gardener volunteers and important for CCC to work with these people and fix building. All cottages high need and high priority for the Board. Local community extremely important to assist users to keep going in life. Nothing else available	Accept. Will commission in next tranche.
	Sydenham Crèche	2	1	Need to see DEE. Needs follow up with workers and should be given priority because of need.	Accept. Qualitative DEE complete, shows EQ prone building.

	Centennial Hall		2	1	Probably needs to be kept if possible as high need in this area for public meeting space.	Accept.
	Toilets Selwyn S	5t	3	1	Moved up given development in the area and the suburban master plan.	Accept.
5: Hagley Ferrymead						
		d to Cricket Club nain 40 Port Hills Rd Red 3	3	2	DEE should be programmed in conjunction with <i>Heathcote</i> <i>Community Centre</i> which is priority 2, but scheduled for DEE August 2012. Supportive of DEE of both buildings happening as soon as practical due to development on site by Heathcote Cricket Club.	Accept. Damage assessment underway and discussing with insurers.

6: Akaroa Waiwera	Fire Cheed		2	2	Deizvitus Comently D2, aculd	Assess Neted by
	Fire Shed	Wainui Domain	2	3	Priority: Currently P2, could be reprioritised to P3. No urgency.	Accept. Noted, but we have a requirement for emergency responses.

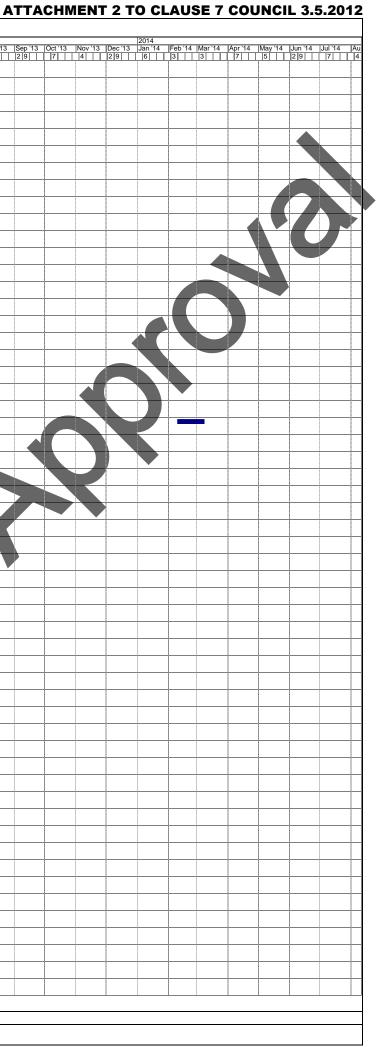

Community Board	Facility Name	Current Priority	Priority Change Request	Reason	Staff Recommendation
7: Lyttelton Mt Herbert	Lyttelton Plunket Rooms and Toy Library	3	1	Board recommend that this is given a P1 status and brought forward so that there is some certainty for the users and the community about the future of the building.	Accept. Damage assessment underway and discussing with insurers
	Clocktower	2	1	Comment: Board sees this as more important than Signal Box at moment as if it was open the community could use the Rose Garden area which is a much needed green space. Recommend P1 for above reason	Accept.
	Governors Bay Community Centre	3	1	Comment: would be desirable to get one public meeting facility back operating for the Governors Bay community.	Accept.
	Toilet. Allandale Domain	3	1	Change priority to a P1 and bring DEE etc forward to instil community confidence. Brand new facility has never been used	Accept. This is the old toilet but is connected to the badly damaged septic tank.

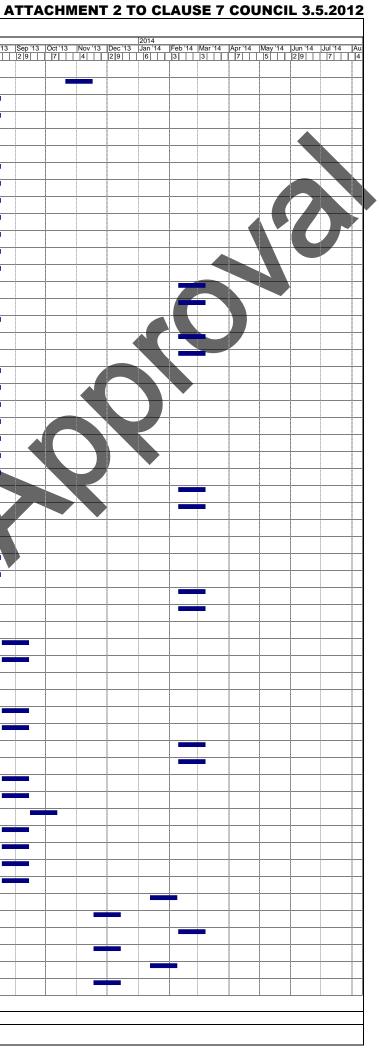

8: Riccarton Wigram
