

**CANTERBURY REGIONAL COUNCIL
ELECTION OF TWO (2) MEMBERS FOR THE
CHRISTCHURCH SOUTH CONSTITUENCY**

Peter ALLAN

I am a forestry consultant, living with my family in your community. In other parts of New Zealand, I have successfully represented many social and environmental interests on and to local, regional and central Government. As your Regional Councillor, I would work to make sure our grandchildren and future generations can drink pure water; eat locally grown fresh food; breathe fresh air; live in warm houses; enjoy healthy, vibrant community life. I would work with you to develop with Maori and others real partnerships of respect and good will; better use trees to improve the Canterbury environment; nurture each of our distinctive small communities. Much work has been done by previous Regional Councils. It is time now for some new local blood to help make our dreams a reality. For a sustainable future vote Peter Allan.

Peter ALTY
Independent

A breath of fresh air for the Region. New Plymouth District Councillor - nine years. Highest polling Councillor 1992, 1995, 1998, as an independent. Chairperson of the following Committees - Environment, Planning & Regulatory Hearings, Police Liaison, Housing for Elderly, Urban Design. Served in Police throughout NZ, including Christchurch and Lyttelton. Retired after 8 years as District Commander (Superintendent) for Taranaki. Born and educated in Christchurch (CBHS) and Victoria University. Keen outdoor bowler to representative level, golfer and gardener. Active in Lions and Rotary for 25 years. Married to Joan and they now live in the Christchurch South Constituency. Has strong family ties and a passion for Canterbury. Stands as 'Independent' with strong desire to continue to serve and consult the community where he lives. Particular concerns for air and water quality - will ensure Council meets/exceeds its objectives for improvement. Offers experience, integrity, commonsense and sound judgement.

**CANTERBURY REGIONAL COUNCIL
ELECTION OF TWO (2) MEMBERS FOR THE
CHRISTCHURCH SOUTH CONSTITUENCY**

Kerry BURKE

Labour for Christchurch 2021

I seek your support to continue as a Regional Councillor, to create policies from expert advice and public feedback for the sustainable management of Canterbury's great resources. These must reflect the bond between town and country and allocate fairly between competing interests. I want balanced, reasonable and common-sense decisions, based on the 'triple bottom line' of social, economic and environmental benefits, to enhance the well-being of everyone. I strongly support the use of new technologies in vehicles, home heating, insulation and construction - they will produce cleaner winter air in Christchurch. (So will on-time public transport.) People in Christchurch don't need to freeze in winter! Low lakes and high prices have shown again that electricity alone cannot give us security for our winter warmth and health. I will also work for better waste disposal, converting it into clean energy for our homes rather than dumping it into landfills. Phone 3558104

Neil NEUMANN

Independent Citizens

Neil Neumann - 57 years of age, born in Christchurch, married to Heather for 35 years, one son, James. I have spent most of my working life in the real estate industry in Christchurch and have been very involved in the Canterbury/Westland committee for the greater part of my career. I am a Fellow of the Institute and current President of the Canterbury/Westland district. I am enthusiastic about Christchurch and its environment and am now looking forward to the opportunity of devoting my time, energy, knowledge and experience to ensuring we move forward as a city. My background of housing and local issues has instilled a strong belief in me that the quality of parks, reserves, the water we drink and the air we breathe is the essence of a healthy community. It is my commitment to these issues that urges me to seek Regional Council election. Phone 025-321-521.

**CANTERBURY REGIONAL COUNCIL
ELECTION OF TWO (2) MEMBERS FOR THE
CHRISTCHURCH SOUTH CONSTITUENCY**

Diana R. SHAND

Independent for Christchurch 2021

As an experienced Regional Councillor with responsibility for transport, I want to press on with innovations giving greater choice and better deals for tertiary students, cyclists and others. I want an effective and honest Air Plan, meeting cleaner air targets, but not leaving people worse off in winter and power shortages. Technological changes must be promoted. There is payoff in better health and energy conservation. Hazardous wastes must be controlled and reduced. All water, coastal, river and groundwater, must be protected from pollution and the quality of our coastal areas kept for all. The value of our unique natural heritage needs to be protected through greater understanding and appreciation. We must also address urban sprawl and pest issues. I am a member of Canterbury University Council and former delegate to the Rio Earth Summit and Human Rights Commissioner. I keep in touch with many community groups and issues. Phone 3650546.

**CANTERBURY DISTRICT HEALTH BOARD
ELECTION OF FIVE (5) MEMBERS FOR THE
CHRISTCHURCH CITY CONSTITUENCY**

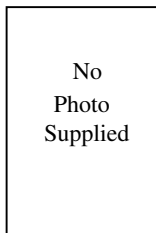

Stuart Grant ARMSTRONG

Independent

'Let's stop the re-structuring!' I want to create a more stable health care environment. After 10 years of seemingly endless re-structuring, it's time to let our health care professionals get on with the job. They are skilled and dedicated people capable of giving us a first class public health service. Our community deserves it - especially our elderly 'I'm your truly independent candidate!' Should you elect me, I will base my decisions on the best available, thoroughly examined evidence combined with over 17 years experience in both Hospital and General Practice based health care. I am 41 years old, married with 2 children and have spent the last 4 years as a consultant for Best Practice Advocacy Centre, an organisation working in partnership with GPs and Pharmacists to assist in their ongoing medical education.

I state in good faith that to the best of my knowledge and belief, as at the date of my consenting to nomination that I have the following conflict(s) of interest with the Canterbury District Health Board: I am employed by Best Practice Advocacy Centre, a not-for-profit incorporated society. Best Practice Advocacy Centre is an independent organisation which provides ongoing education services to General Practitioners (G.P.'s) and Pharmacists. Best Practice Advocacy Centre is funded by the Ministry of Health through a contract managed by Pharmac. I do not believe that conflict(s) of interest with the Canterbury District Health Board are likely to arise in the future other than my employment by Best Practise Advocacy Centre as a Sales Manager and Consultant.

Stephen ASTOR
