**David BALL**

*Independent*

David Ball. Independent candidate. Aged 41. Professional fundraiser. Has 20 years involvement in child and youth development. Spent first 31 years in the Shirley Ward and last 10 years in Hagley. Stood for Council and mayoralty in 1995 and achieved 649 and 4176 votes respectively. My policies are to see: greater community involvement in local body issues through consultation and referendums to reflect community concerns; more shuttle services; a review of bus stops so that buses don't need to stop in Gloucester Street between Colombo Street and Oxford Terrace, or so often outside the Rolleston Avenue side of the Arts Centre; the Square only used by essential traffic; more colour and better design of Square including far better road and walking in and around Square; more activities for our people during weekends and holidays eg movies and sports; and feasibility study of a theme park for young people. Phone 389-6114.

**Rod CAMERON**

Pursued a career in sales; successfully owned and operated my own business for several years. Employed in the real estate industry for 20 years; appointed as Sales Manager for a large real estate company. I have been involved with many sporting and community organisations mostly in administrative positions. 36 years with Lancaster Park Cricket Club (current Vice President), 21 years Canterbury Rugby Referees. **Wayne HAWKER**

*Labour for Christchurch 2021*

I am 43 years old, married with two teenage daughters. I have lived in the Hagley Ward for 21 years and have worked in the baking trade for nearly 28 years. I have been serving on the Board of Trustees at Phillipstown School for eight years now and have also been involved as part of the management team at the Phillipstown Community Centre for several years. For the past five years I have given my time as a volunteer to Te Roopu Tamariki, an after-school programme catering for children 7-11 years of age. I have assisted the programme in three schools and find it rewarding. With this experience behind me I feel the time is right to reach out to the wider community and offer to work vigorously on your behalf to enhance our district and help make Christchurch a city we can all be proud of. *Labour for Christchurch 2021*

I am a youthful and energetic candidate who is committed to working with people to achieve positive development. Born in Christchurch and educated at Hagley High School, I was Labour's youngest candidate in the 1999 Parliamentary election. In 2000 I received a Community Service Award for work in a variety of areas including housing, youth health, local music, sports, and human rights. I am active on the Tenants Protection Association, the New Zealand Association of Adolescent Health and Development, and ICON (Inner City West Neighbourhood Association). My vision is of a city where people participate in the decisions that affect them. A city where people feel connected and not alienated. A place where people appreciate the vibrance and diversity of Christchurch and strive for local and innovative ideas, no matter how tiny or huge, to make it an even better place to live! ### **Aaron O'BRIEN**

*The Local Choice*

Aaron O'Brien has been a Hagley Ferrymead Community Board member, representing Hagley ward, for the past 9 years. He is the only Board member who lives in the Hagley ward. It's time for change. I am seeking election to the Council and re-election to the Community Board to ensure local residents like you and me have a true local voice and representation on Council. We need a new councillor who can offer vibrant leadership, local knowledge and experience, with the ability to listen and work with local people. I have been a strong advocate for more green space in our community and have seen new reserves created in Linwood and the inner-city as a result of my work. Your suburb needs a strong advocate at Council. Someone with local knowledge, experience on the Community Board and who lives in the ward. It's time for a new Councillor. Phone 377-9247.

### **Bob TODD**

*Labour for Christchurch 2021*

I was elected as a member of the Hagley/Ferrymead Community Board in 1995 and for a further term in 1998, at which time I was elected chairperson, a position I still hold. Married to wife Pat, I have three sons, and six grandchildren. I was born and bred in Christchurch, living my entire life in the Linwood and Woolston areas. Currently I am Chairperson of the Community Trust, Secretary of Uni-Med Medical Society, and Director of the Lyttelton Port Co. In 1988 I was awarded the O.B.E. for my services to the community and in 1982 was appointed a JP. In addition to the core activities of roads, footpaths and parks, other issues requiring the Board's attention are at-risk youth, social deprivation, and the need to provide more open and green space in the older parts of the ward. I pledge to continue to represent you with enthusiasm. Phone 3896338.
