Your Submission:

Would it be possible to put a footpath on Halswell Road between Hendersons Road and Dunbars Road.
I often walk to the Hagley Netball Courts in the winter time and a footpath would be a big improvement..

To ensure the water retention area in the Hendersons Road area near Cashmere Road is considered. This was one of the late Councillor Graham Condon's sport/recreations passion so feel we owe it to him to pursue it. It would also assist in drainage in the area.
