Your Submission:

I support the following initiatives (many of which have been previously informally supported by CCC), to be included in the Council's LTCCP:

- 1) a Christchurch Biodiversity Partnership
- 2) tangible action on the Christchurch Biodiversity Strategy, including protection of the Canterbury Plains dry grassland areas around McLeans Island; protection of the high aquatic values of the Otukaikino catchment; rapid action on biosecurity threats)
- 3) Christchurch city becoming involved in the Erfurt Declaration on urban biodiversity
- 4) formal recognition and support for establishing the Perimeter Walkway
- 5) Christchurch to consider becoming a member of the LAB (an international association of cities supporting Local Action for Biodiversity)
- 6) Maintaining and restoring the cities urban waterways
