Please be as specific as possible to help us understand your views.

What do you want the Council to consider? What specific action you think the Council should take?  
Why should this be done?

- A. The Place of High Pressure Water & Sewage Disposal for Charteris Bay in the Draft LTCCP 2009-2019
- My family has owned the property, now 12 Bayview Rd. for 65 years. My father bought it on his return from World War II & sold it to me in 1966. In those early years we never expected to have piped water or sewage and were even a bit surprised when told that they were likely to happen and then that they definitely would be in place by 2010. Prior to that we had been considering selling but thought that we should wait, upon getting solid assurances from CCC officers that the scheme was going ahead. We have well & truly missed the market.
- B. I want the CCC to take note of the excellent submission from the Charteris Bay Residents' Association; to reinstate the C.B.W. & W.S. back into the LTCCP, to be completed within the next 2 years and to live up to the promises made to the Charteris Bay residents by its own accredited officers over the course of 2007 & 2008.
- C. The reasons why the above should be done are set out succinctly & cogently in the submission from the Charteris Bay Residents' Association. I support every one of them.
- I am deeply disappointed in the breach of faith by the Council & fervently hope that the matter will be reconsidered & C.B.W. & W.S. restored.
