Richard & Sonia Gill
79 Dyers Pass Rd
Cashmere
Christchurch

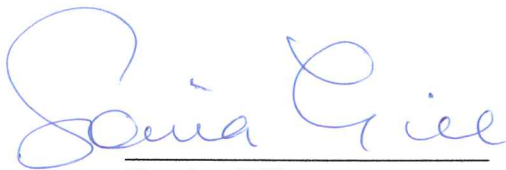

Wednesday 8th April 2009

We are writing to support this petition of the Charteris Bay rate payers for your prompt attention to the CCC's overdue undertaking to install water and sewerage services.

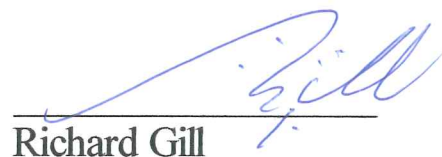

We would also like to know if the Council is rating us as if we do already have these services?

Until these services are successfully installed, you might, as men of integrity, hasten to make any appropriate adjustments to the rates that the Council presently charges in Charteris Bay.

Yours Sincerely,

Sonia Gill
