Submission Form

Please be as specific as possible to help us understand your views.

What do you want the Council to consider? What specific action you think the Council should take?
Why should this be done?

We fully support the submission of the Charteris Bay Residents Association of which we are members with regard to the proposed Charteris Bay Water and Sewerage Scheme with our emphasis on the following points.

- 1/ Council staff and councillors have recognised that the present system is inadequate and unsafe.
- 2/ The Council has published dates of the start and completion of the scheme and should honour its stated and published commitments.
- 3/ Council staff have stated that the present septic tanks are old, out of date and are faulty and not working.
- 4/ It is completely unacceptable for the present sewerage system to continue to contribute to the pollution of the Lyttleton Harbour water quality and the pollution of the Marine environment.
- 5/ The inclusion of the Charteris Bay water and sewerage scheme in the early part of the 2009-19 LTCCP will be an acceptable outcome of this submission.
