Submission Form

Please be as specific as possible to help us understand your views.

What do you want the Council to consider? What specific action you think the Council should take? Why should this be done?

As the owner of the property at 412 Marine Drive Charteris Bay I am concerned that the Charteris Bay Water + Wastewater scheme which was to completed in 2010 has now been put on hold. This property has been in the family for over 65 years, during which time we have faithfully maintained it.

In 2007 the Council granted us a permit to extend a bedroom When granting this permit we were advised that water + sewer would be available 2009-2010 We also updated our bathroom/toilet facilities on the understanding that we would have these upgrades, also advising residents in a circulated letter Aug '2008 of the same.

After so many concerns expressed by CCC staff + councillors to update this scheme why do they now see the need to delay the project for so long, especially in light of health + environment problems?

Why offer the new subdivision at Black Point all its facilities? + ratepayers like myself who have been waiting + then promised the same now have to wait.

The Rates we are being charged are excessive, with the only facility offered being a rubbish collection - + the latest system very unsatisfactory for weekend residence I urge you to reconsider this proposed scheme + place it on a priority plan 2010 - 2011
