

Draft Long-Term Council Community Plan (LTCCP) 2009-19

Submission form

PLEASE READ BEFORE COMPLETING YOUR SUBMISSION

The public consultation period is from Tuesday 10 March 2009 to Thursday 16 April 2009.

It will help us if you clearly:

- state the issue you want the Council to consider;
- state what specific action you think the Council should take, and
- state why that should be done.
- type or use black ink for your submission.

Please note: We are legally required to make all written or electronic submissions available to the public and to Councillors, including the name and address of the submitter. In making submissions available to the public, the submissions will be posted electronically on the Council's website. Information will be available to the public subject to the provisions of the Local Government Official Information and Meetings Act 1987. If you consider there to be compelling reasons why your contact details and/or submission should be kept confidential, you should contact the Council Support Team, telephone 941 8999.

Submission form

Please be as specific as possible to help us understand your views.

What do you want the Council to consider? What specific action do you think the Council should take?

Why should this be done?

1. Ten (10) years ago we extended our house & added on a new kitchen / toilet / Bathroom. Also included with the new works was a new septic tank & the equivalent required amount of drains to take away the effluent to the surrounding land. But in the last few years with the dry summers, the ground has become tightly packed & it appears now not to be able to soak up any effluent. This has become very noticeable on Andersons Rd, The main Road around the Yacht club, & the overflow from Bay View Rd, which eventually finds its way to the sea. (Not Good for Health reasons)
2. The access to most homes in Charter's Bay is by a shingle driveway topped off with $\frac{3}{8}$ " shingle to dust Quarry spoil. Everyone has laid off putting down concrete drives with the promise of sewer & water by 2010, I hope these few points will be taken into your reconsiderations, when you review the (LTCCP) plans for this coming year.
