Submission to: Christchurch Long Term Council Community Plan 2009 – 19

We wish to make a submission relating to P273 for the Draft 2009 – 19 plan with regards to the Rapaki Water Supply Fire Flow upgrade and the decision to spend \$713,000 in the 2009 / 10 year.

We fully support this inclusion in the Final Plan especially on the basis that Stage 1A of the New Rapaki Marae Development, which includes our Whare Tipuna (Ancestral House), is almost completed and requires a suitable fire fighting water supply which is critical for the safe operation of a large community facility. Without this water infrastructure upgrade we cannot operate the sprinkler system in our new Whare Tipuna (Details will be given when we present this submission).

The upgrading of the water infrastructure in Rapaki will also guarantee a greater fire protection for the general population of Rapaki and our surrounding neighbours. We fully tautoko or support this Council initiative.

On behalf of Rapaki Whanui we fully support the Rapaki Water Supply Fire Flow Upgrade.

Yours faithfully

Tutehounuku (Nuk) Korako
