Submission form

Please be as specific as possible to help us understand your views.

What do you want the Council to consider? What specific action do you think the Council should take?

Why should this be done?

Community Support, N°6 of Rates Priority.
The anglican bishop of Christchurch and the Canterbury Synod are elaborating a diocesan development plan, freely available on their Web Site.

In public appearances at any rate, the City Council makes use of Christ Church Cathedral as the symbolic pastoral Church of the City of Christchurch.

When I read through the Christchurch Long Term Council Community Plan 2009-2019, it seemed odd that there is no in-put whatever from the anglican church's well formulated plans for Community Support.

These plans should at least be consciously considered in relation to :

- Page 6. Revitalisation of the Inner City.
- Page 6. Social Housing, and the Aged.
- Page 5. The world economic down-turn.
- Page 4. Population in the outermost suburbs.
- Page 11. Children and youth.
- Page 11. The charitable activities of the City Council.
- Page 8. Financial growth, and borrowings.

You may add more pages if you wish. Thank you for your submission.
