Your Submission:	<p>To whom it may concern,</p> <p>My name is Linda Gracia I live at 10 Haslam Crescent, Hoon Hay. My phone number is (03) 3396294.</p> <p>The Hoon Hay Community Creche's proposed closure will affect my family greatly. My three children attend the creche and love it. The staff who work there are kind, helpful and supportive to my children's learning. The teachers keep me well informed of my children's progress, and I cannot speak highly enough of them. The Creche offers a fantastic learning environment which is preparing the children for the start of Primary School.</p> <p>When I enrolled my children at the Creche there was a waiting list proving that there is a need for this education provider in the Hoon Hay area. If this Creche is closed what chance do my children have of entering another creche in the Hoon Hay area (as I do not have any form of transport) that expresses such enthusiasm for learning.</p> <p>Kind Regards, Linda Gracia</p>
