Your Submission:

My name is Kim Addison I am a parent with a child enrolled in Sydenham Community Preschool, and I am Chairperson on the Management Committee of Sydenham Community Preschool.

Sydeham Community Preschool has a diversified range of families that use the Preschool. Predominantly made up of lower socio-economic background.

The issue I am concerned with is the proposed Rent Review effective June 2010, in which the CCC may charge market rent.

This Preschool has long-standing advocate and collaborative relationships within the Sydenham community with agencies that support the families using the centre. Thus, assisting in parents financially accessing this Non-Profit Community based Preschool.

I chose this preschool for my child due to its long-standing staff, affordability and it's community-based environment as do other like-minded families.

A Market Rent Review would be a backward step in the Council's initiative.
