# Submission Form

Please be as specific as possible to help us understand your views.

What do you want the Council to consider? What specific action you think the Council should take?  
Why should this be done?

- 1/ leisure centre not to SW of Chch but to the east, feel that Eastern should don't have many facilities
- 2/ prevent suburban spread from post hills. This should become a reserve area for chch residents. Needs a predator proof fence & removal of taylor's bushes. It is unfair that people who have never purchased land are to live in these unique spots.
- 3/ More allocation towards purchasing park preserve land rather than facilities. Also reserves need to be of bigger sizes (eg hagley park size) to be effectively used. Small size reserves are proven not to be effective.
- 4/ create reserves which are for native animals, not human recreation. The estuary should be protected & human disturbance should be prevented as we have such great bird life. Tians Swamp is not an effective 'bird & native' area. To human orientated. eg liked it in Italy when in bird breeding time areas were closed.
- 5/ Edgeware pool should be returned. Hardly any urban facilities & esp if there is going to be urban in fill
- 6/ Don't charge for water, but make it compulsory that grey water is collected. This is a wasted resource!
- 7/ Need big park areas, hagley park is so well used - illustrates that big parks is what we need
- 8/ seems ironic that a childcare centre will be sold, when trying to rentalise city centre. Perhaps this is not a good move
- 9/ too much money allocated on convention centre.
