Please be as specific as possible to help us understand your views.

What do you want the Council to consider? What specific action you think the Council should take?  
Why should this be done?

Flower Show, Hagley Park, 5-11 Mar 09.  
Because of the high entry prices and the subject matter of upper class floral garden design, this has been an event for the privileged people who have money to spare for gracious living.

A section of the residents of Christchurch has been excluded because it was an expensive event of highly artificial garden culture, under expensive glasshouses/shelters.

I submit that in future there should be a corner for a practical "beggars' garden" section.

\* Entry to this limited corner should be at a low price.

\* Tours of this restricted section should be offered to children, old people, working-class home gardeners.

\* Agencies with an interest in better nutrition for the populace, such as Ministry of Health, District Health Board, Canterbury University, should be asked to sponsor this section for "gardening against poverty."

You may add more pages if you wish. Thank you for your submission.
