

Submission Form

PLEASE READ BEFORE COMPLETING YOUR SUBMISSION

The public consultation period is from Tuesday 10 March 2009 to Thursday 16 April 2009.

It will help us if you clearly:

- state the issue you want the Council to consider;
- state what specific action you think the Council should take, and
- state why that should be done.
- type or use black ink for your submission.

Please note: We are legally required to make all written or electronic submissions available to the public and to Councillors, including the name and address of the submitter. In making submissions available to the public, the submissions will be posted electronically on the Council's website. Information will be available to the public subject to the provisions of the Local Government Official Information and Meetings Act 1987. If you consider there to be compelling reasons why your contact details and/or submission should be kept confidential, you should contact the Council Support Team, telephone 941 8999.

Please be as specific as possible to help us understand your views.

What do you want the Council to consider? What specific action you think the Council should take?
Why should this be done?

Civil Defence.

Why are you looking at building a civil defence bunker for the City Council when E.Can have one under their building is this not a duplication of what the city already has surely we don't need two.

Please look carefully as to what Govt. funding is available in the form of grants & subsidies for transport and social housing.

I would like to see more support for keeping the Templeton Swimming Pool open for a longer period in the summer as with the closure of Sockburn people are travelling to make use of our pool.

Rates should be targeted to help cover infrastructure needs of Barton Peninsula.

Public Transport.

Now that there are traffic lights installed at the Halswell Junction & Main South Roads could the Templeton - Hornby Shuttle please return from Barton Rd. via Halswell Junction Rd to Hornby as it used to.

What do you want the Council to consider? What specific action you think the Council should take?
Why should this be done?

Water supply. Should stay in the rates and controlled by the Council. It should never be put out to a private company as any charge they would add on would be beyond a lot of people ie low income and superannuants.

While I don't believe Canterbury will have a supply problem in the future I do think making use of grey water by making it compulsory for new buildings and houses to install a suitable systems for this would be a sensible move and allowing water tanks from house or garage roof run off to store for vegetable & flower gardens would be a good move

I support cycleways to be continued and would like to see one installed on Waterloo Road between Kirk Road and Batters Road to be used by the school children or adults to the nearest shopping centre on Marshes Road or ~~Marshes~~ Main South Road or the School on Kirk Road and then on to link with Hornby at a later date. Why couldn't crushed dust be used temporarily until a tarsealed one is installed when funding is available. This cycle way should be wide enough for the many walkers who use it. Thank you. Dabryd
