

# Submission Form

### PLEASE READ BEFORE COMPLETING YOUR SUBMISSION

The public consultation period is from Tuesday 10 March 2009 to Thursday 16 April 2009.

It will help us if you clearly:

- state the issue you want the Council to consider;
- state what specific action you think the Council should take, and
- state why that should be done.
- type or use black ink for your submission.

Please note: We are legally required to make all written or electronic submissions available to the public and to Councillors, including the name and address of the submitter. In making submissions available to the public, the submissions will be posted electronically on the Council's website. Information will be available to the public subject to the provisions of the Local Government Official Information and Meetings Act 1987. If you consider there to be compelling reasons why your contact details and/or submission should be kept confidential, you should contact the Council Support Team, telephone 941 8999.

No anonymous submissions will be accepted. Whether you use this form or not, you must provide your full name, address and telephone number. If you are submitting on behalf of an organisation please state this and your role within that organisation.

Please be as specific as possible to help us understand your views.

What do you want the Council to consider? What specific action you think the Council should take?  
Why should this be done?

Centennial Park on Lyttelton Street, Spreydon.

We would like to see the development of a bike dirt track down beside the outdoor sand volleyball area.

There has been a very large pile of dirt in this area for a number of years now, which we have been under the impression by council workers would be designed into a bike track. The children in this area would love to see this happen as there is nothing like this on this side of town.

The dirt track on Northcote Rd, Paparua which is brilliant and used excessively would be an ideal plan for Centennial Park. There is adequate room for development without encroaching on sports fields or playgrounds already established.

It would give the youth in the area a safe environment to have fun and be physically active in the outdoors, without costs, and would be well used by children in the area.

I have spoken to councillors who advise that they have plans for a skate park design for this area which would also be brilliant, but which would be costly and in a long term plan. So in the short term we are asking that you add some more dirt to the already existing mound and shape it into a track and then look to develop it further into a skate park within your council budget plan at a later stage.

Make a child's day!

Many Thanks.
