<b>Your Submission:</b>	<p>HOCKEY FIELDS</p> <p>At present the artificial hockey fields are full to overflowing with players keen to participate in this fun and healthy sport. There is real pressure on the turfs for game and practice times so that children have to play very early or very late in the day. Hockey makes fantastic use of its grounds compared to many other sports ( a lot more games per weekend, and also not "rained out" like sports played on grass).</p> <p>Additional turfs are needed now, and alas the LTCCP has no provision for any in the next ten years.</p> <p>I urge the Council to rethink its plan and provide for at least one new turf (preferably two) as soon as possible.</p>
