Your Submission:	With only one hockey turf in the north west of the city and with the Harewood Hockey Club the biggest in Christchurch, it makes sense that a new turf or turfs be made available. It is a long way to Porritt Park from where we live and in these economic times with petrol prices etc, it is beyond some families budget to get their kids to games and practises. As a result some kids are being forced to give up the game. Remember kids in sports keep out of the courts!!!!
