The council needs to put in a new full sized hockey turf in Christchurch. We need this because hockey teams should not have to practise on concrete or tennis courts because they are not designed as hockey turfs and are not correct sizes etc. Most sports play the usual saturday sport but as their is limited turfs in Chch we have to play in the middle of Sunday afternoon which is a family time and the rest day. Also helping out with coaching a umpiring leaves us at porrit park until rediculous hours like 9.30 on a sunday night which is to late for myself a 14 year old girl to be out when i have school the next day
