The council needs to consider putting another hockey turf in Christchurch.

Canterbury hockey is so strong, yet the Canterbury Hockey Association can't even find room for the second to top grade in Christchurch to play on a Saturday. Instead we play on Sunday afternoons. And some senior grades have to play as early as 8:45am on a Sunday morning and as late at 8pm on a Sunday night!

My team can only find 1 hour of turf time to practice each week and it is from 9-10pm on a Wednesday night, which is not ideal for the adults in the team let alone the school kids in the team.

Currently there are only 2 turfs in Christchurch that are good enough for the senior/top grades to play on. It is ridiculous!

Please consider my request.
