I would like the Council to consider making a financial contribution to a project that will have long term benefit to Sumner and surrounding communities. The Sumner Pavilion has long been the home of Sumner Cricket and Sumner Rugby. The two groups have embarked on a funding drive to upgrade the Pavilion to better suit the needs of not only the two sporting codes but also the Sumner Community.

This facility supports players from Sumner, Redcliffs, Mount Pleasant, Lyttleton, and Woolston areas. It is in desperate need of some TLC. Lets keep our players in our community.
