Your Submission:

Improvements and extensions to Sumner Sports Pavillion, St Leonards Square, Sumner.

I would like the Council to consider making a financial contribution to this project. It will have long term benefit to Sumner and surrounding communities. The Sumner Pavilion has long been the home of Sumner Cricket and Sumner Rugby. The two groups have embarked on a funding drive to upgrade the Pavilion to better suit the needs of not only the two sporting codes but also the Sumner Community. Financial assistance is required.

Not only are the clubrooms used by the rugby and cricket clubs, other groups are also able to use the facilities.

People from a wider area than just the immediate suburb of sumner utilise the facilities. Poeople from as far afield as Woolston participate in sports teams with my children at the Sumner club. It will be great to improve facilities to keep people wanting to do things in their community, to keep the kids busy, off the streets and out of mischief.

Please consider this application for funding generously.
