Email:	rosanna@mchg.co.nz
Email Address for copy of submission:	
Date:	16 April 2009
Your Submission:	H SOB/Burnside Hockey supports the view of the Canterbury Hockey Association that there is a need for two additional fields immediately and based on projected growth, two further fields in the next ten years. Currently our premier division teams are having to practice from 9-10pm in the evening and our division 2 teams play on a Sunday due to lack of turf times available. For hockey to continue to develop in the Canterbury region resources need to be made available.
