Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

My daughter is playing Junior 11 outside
Hockey. Hockey is a growth sport for
Boys, girls, Men + women.

There is always difficulties getting 'surf
time' across all grades. Hockey played on
grass is a game of the past + played differently
to surf hockey. To ensure all players obtain
the necessary skill to progress in the sport my
surf is required

Please continue on reverse side if further space is required.
